

CHECK OUT LIST

Please help us when you check out of Siranis By The Sea - it takes a lot to get it ready in the few hours between the time you check out (at 10:00 a.m.) and before the next guests arrive (at 3:00 p.m.)

We would greatly appreciate it if you could do the following before you leave:

- Clean out opened food from refrigerators and cupboards (we will donate unopened food)
- Collect all trash into bags and place them in the large garbage cans outside. **DO NOT** place loose garbage in the bins. All garbage must be bagged beforehand.
- Collect all white bath towels that were used the morning of your departure and put them in the washing machines - please start the cleaning cycle.
- Remove all used beach towels, bed liners & kitchen towels and put them in the laundry area.
- Return all furniture to the original location when you first arrived, both indoors and outdoors.

POOL

- * Please note that pools on Anna Maria Island are not deep due to the high water table and low elevations. **DO NOT DIVE** into the pool it is only 5 feet deep!

Children must be supervised at all times while in the backyard and dock area! Please note that we are not responsible for any deaths or injuries to any persons on the property. Pool skimmer, hook and life buoy are at the side of the house next to pool

It is also wise to stay close to children while playing in the Gulf of Mexico. Children who are unaccustomed to swimming in the ocean are unfamiliar with rip currents when the tide is stronger.
